### 2019 Novel Coronavirus – Confirmed Cases in California

The Centers for Disease Control and Prevention (CDC) is closely monitoring and responding to an outbreak caused by 2019 Novel Coronavirus (2019-nCoV) in Wuhan, Hubei Province, China.

- On 01/30/20, the World Health Organization declared a Public Health Emergency of International Concern (PHEIC) over the global outbreak of 2019-nCoV.
- On 01/30/20, the U.S. Department of State has issued a Level 4 Travel Advisory (Do Not Travel) for all of China. This is the highest travel advisory level.
- On 01/31/20, the United States Secretary of the Department of Health and Human Services signed a declaration order for a Public Health Emergency in response to the 2019-nCoV. Per the order, Americans returning from Hubei Province, China, will be subject to a 14-day quarantine upon returning. Other Americans returning from other sections of China will be subject to screening for 14 days.
- On 01/31/20, President Trump signed a Presidential Proclamation temporarily suspending entry into the U.S. of foreign nationals that pose a risk of transmitting 2019-nCoV. Foreign nationals other than immediate family of U.S. citizens and permanent residents who have traveled in China within the last 14 days will be denied entry into the U.S. at this time.
- As of 02/07/20, [31,481 confirmed cases](#) of 2019-nCoV in 24 countries with [637 confirmed deaths](#) have been reported worldwide.
- As of 02/03/20, the California Department of Public Health has confirmed 1 individual in Los Angeles County, 1 individual in Orange County, 2 individuals in Santa Clara County and 2 individuals in San Benito County have tested positive for 2019-nCoV, bringing the total number of confirmed cases in California to 6.

- Request DGS purchase 300,000 N95 masks and have them delivered to CDPH and Cal OES warehouses (half to each). Mission Open

# **SITUATION SUMMARY**

## **Emergency Management Assistance Compact (EMAC), Puerto Rico Earthquake**

On 01/07/20 at 0324 hours, a M6.4 earthquake occurred approximately 8.4 miles west-southwest of Ponce, Puerto Rico at a depth of 6 miles. The State Of California has deployed a total of 27 personnel from multiple agencies to Puerto Rico to assist with response and recovery efforts.

### **Deployments:**

- 15 Cal OES personnel
- 5 Caltrans personnel
- 2 Department of General Services, Division of the State Architect (DSA) personnel
- 2 Department of Housing and Community Development (HCD) personnel
- 1 California Highway Patrol (CHP) individual
- 1 California Department of Public Health individual
- 1 California Geological Survey individual

### **Cal OES Missions:**

2019-LAW-8755

- 1 California Military Department service member and associate equipment deployed to Puerto Rico to provide Friendly Forces Tracking and Shared Situational Awareness support for Cal OES Earthquake response operations.

### **Cal OES INLAND REGION**

- Nothing significant to report.

### **Cal OES COASTAL REGION**

- Nothing significant to report.

### **Cal OES SOUTHERN REGION**

## **Commercial Building Fire, Riverside County (City of Banning) Apollo Incident Spill #20-0740**

On 02/06/20, the CSWC received a Hazardous Spill notification due to a commercial fire involving chemicals and firefighting suppression water running off and impacting a waterway.

- The fire has been extinguished.
- The Banning Apollo incident is still active but moving towards a cleanup phase
- Riverside County Environmental Health Hazmat (DEH Hazmat) is still on scene along with Riverside County Fire / Cal Fire Hazmat. The fire is still smoldering in some spots and Riverside County Fire will be leaving engines on scene to monitor and put out any hot spots.
- AQMD is on scene and completing air monitoring in the area at Banning High School.
- No air quality issues have yet been detected.
- DEH Hazmat has been monitoring the runoff in the adjacent street, vegetation and soil areas with nothing at hazardous waste levels yet detected.
- Fish and Wildlife are on scene to assess the creek areas.

# **WEATHER KEY POINTS**

**02/07/20 - 02/13/20**

## **Friday**

- Drier and warmer weather to continue across the state through Friday

## **Saturday-Monday**

- A weak storm system will move through the state from north to south late Saturday through Monday, bringing cooler temperatures to the state
  - Strong winds possible in the Bay Area mountains Saturday evening through late Sunday night. Northeast winds 15 to 30 mph with gusts up to 45-50 mph possible. Strong winds could blow down trees and power lines. Power outages are possible. Travel could be difficult, especially for high profile vehicles.
  - Some light showers are possible in far northern California and across the Sierra Saturday and Sunday
  - The chance of precipitation shifts into Southern Region Sunday into Monday
  - No significant debris flow impacts expected with this storm
  - Travel impacts due to light accumulating snow and gusty winds are possible in Southern and Inland Regions, primarily in the mountains

## **Tuesday-Thursday**

- Dry and warmer weather across the state with no significant impacts

# Cal OES LAW ENFORCEMENT MISSIONS

## Cal OES Law Missions

**2020-LAW-8915 02/06/20, 1644 hours.** The IERCC reported an inReach device activation in Death Valley National Park (DVNP) at coordinates: 36.561781, -117.330852, plotting to Slot Canyon. DVNP Rangers were contacted and are mobilizing a SAR response. The R/O activated his device for another party who relayed that he had broken his leg while hiking down a side canyon adjacent to the RO's location. Although the R/O was not able to see the injured hiker, they were close enough to verbally communicate. DVNP contacted CHP for helo support. **1821 hours.** DVNP advised CHP response was delayed. **2003 hours.** DVNP advised CHP would not be able to fly tonight so a plan was being formulated for the morning to include a ground team from Inyo SO SAR. **2128 hours.** LDO spoke with Inyo SO SAR who advised they would be arriving on scene approx.. 0800 hours. and meet CHP and attempt to contact the injured hiker and extract him. Messaging between the R/O and DVNP indicated the injured hiker was stable with sufficient food, water and shelter for overnight. The R/O is camping near enough to maintain voice communication with the injured hiker while utilizing his inReach to message with DVNP. **Mission Ongoing**

# Cal OES MISSION TASKING

## Cal OES Missions

- Nothing significant to report.

# *Cal* OES

---

GOVERNOR'S OFFICE  
OF EMERGENCY SERVICES

**Mission:**

We protect lives and property, build capabilities, and support our communities for a resilient California.

*We achieve our mission by serving the public through effective collaboration in preparing for, protecting against, responding to, recovering from, and mitigating the impacts of all hazards and threats.*
